RE: 200th Anniversary

Dear Mr Quinn,

We are writing today to congratulate you, along with the Saint John Region Chamber of Commerce board of directors and staff - as well as your members on your organization's upcoming 200th anniversary. It is truly a remarkable achievement to be operating a high-quality organization 200 years after its launch - everyone involved with the Saint John chamber should be very proud.

We also want to thank the Saint John chamber for being one of our primary partners - particularly when it comes to advocacy efforts. Sharing a common message allows our voices to be amplified and we look forward to many more years of working together for the benefit of the business community in New Brunswick.

We are very much looking forward to the 2019 Canadian Chamber of Commerce annual general meeting and conference - it will be a great opportunity to show off your wonderful city to the rest of the country.

All the best throughout your 200th year!

Sincerely,
